Note.

In his No 425 dated 11th November 1892. the Commr Bangalore has solicited sanction to the entertainment of a Clerk on Rs 25 in addition to the 2 hands, one at Rs 15 and another on Rs 20 already entertained. Govt order of 14th July 93 sanctioning the Lody Estt allows for the Bangalore District 2 hands, one on Rs 15 and one on Rs 20. This dispenses with the necessity for confirming the hand on Rs 20. The Excise Commr proposes in the letter under reference to need a Clerk on Rs 25. which if sanctioned would dispose of Bangalore D.O. No 425 above referred to. The Excise Comrs recommendation for the confirmation of the temporary hand on Rs: 20/ was made prior to the date of Govt: Pro: sanctioning the Lody Estt:

There are at present 2 hands in the Bangr District & 1 more will be sent from the Excise Comrs Office.

on the Office in addition to the already heavy work under Arrack, Ganja, Opium, foreign Spirits & Bagani Toddy.

8. For the tabulation and Examination &c of the accounts relating to Toddy Revenue under the New Scheme, the Excise Commissioner recommends the Confirmation of the two Clerks temporarily sanctioned in Govt. Proc. No. 6017-8. R-F 192-92 dated 28th October 1892, for checking mutcha likar. This is in addition to the proposed staff costing Rs 676

9. To sum up the proposals submitted by

the Excise Commr. —

(1) Transfer of 8 clerks on an aggregate monthly salary of Rs 160 from his office to ~~the~~ Districts.

(2) Utilization of this sum of Rs 160 and Rs 115, being the savings accruing from the reductions recently sanctioned in the Distillery staff (total Rs 275) for giving increase of pay to deserving officials and for strengthening his office establishment.

Sir,

I have the honor to refer

1892, sanctioning the appointment
of a temporary Clerk on Rs. 20/-

the above order was passed.

The latter was entertained on 29th
June last and the former on the
19th July last. Abkarri work, both
in the Toddy and in the Arrack
Branch having been newly

transferred to the Dy Commissioner, it had fallen very much into arrears when as explained in my above letter, I was driven to employ the extra hands. The two Clerks have worked together and have succeeded in sending the Demand Collection and Balance Statements for April, May and June and have posted up the items for the subsequent months. They have not been able yet to send the Returns. I am getting them to work hard at it and hope to be able to send the Returns before the 15th Instant. But the labor involved is really very excessive - So excessive, that no man is likely to bear it regularly for any length of time which will result in neglect and bad work. I shall explain the quantity of the work to be done. Besides correspondence with 9 Taluks and with Head and Assistant Supervisors, which is large enough to engage

the whole time and attention
of one Clerk, Challans for Arrack

of Toddy Revenue are received from
the Taluks: these have to be similar
checked carefully and posted in a
Register and notice taken of the
outstanding balance of each in
dividual renter, in order to secure
prompt collection. The checking
of these accounts includes the cal
culation of interest on various
small items. So many as 12 Toddy

Arrack Department send their

much for one hand. When the Toddy Revenue Registers and the Statements of claims of Inamdars begin to come in, the work will be largly multiplied. At present I find that the Toddy Doraga is kept on Office work more than is desirable, which is a decided abuse of his time and attention. His work chiefly lies out in the District. I believe I have satisfied the Government that the present establishment of two Clerks is unable to cope with the work it is now charged with. I beg therefore that the Government will be pleased to sanction another Clerk on Rs: 25/. and a Jolla on Rs: 7/. a month, as a temporary measure, until the Government finally disposes of the Question of the establishment. I solicit very early orders, as I am very much handicapped for want of hands.

Sir,

In forwarding the enclosed extract from letter No. 521/51, dated 13th/16 instant, from the Deputy Commissioner, Chitaldroog District, I have the honor to state that I concur in the opinion of the Deputy Commissioner that an additional accountant on Rs. 20 is required for this Office to satisfactorily carry on the Excise work which has doubtless become heavy in all the Districts. Similar applications have been received from the other Deputy Commissioners also. To enable me to make necessary arrangements for the requirements of all the Deputy Commissioners as proposed in this Office No. 876/47, dated 11th August 1892

I beg to solicit the favor of early sanction to the Proposition Statement submitted with the aforesaid letter, for the revision of my Office establishment which, I may repeat, entails no additional cost, the requisite charge being met from the savings effected by the reduction of the Distillery establishment.

No. 4353/268

Bangalore 18th February 1893.

From

The Excise Commissioner
in Mysore

To

The Chief Secretary to the
Dewan of Mysore

Sir,

With reference to para 2 of Government Proceedings No 13205/R.P.117-92, dated 30/31st January 1893, I have the honor to propose the following distribution to the several Districts, of the clerks who were working under Mr. McDonnell:-

1. clerk on Rs 25 to Bangalore
1. Do. — 25 to Shimoga
1. Do. — 25 to Chitaldrug
1. Do. — 20 to Kadur
1. Do. — 15 to Mysore
1. Do. — 15 to Kolar
1. Do. — 15 from the Excise Commissioner's Office proper, in lieu of one on Rs 35, who was under Mr. McDonnell — } Hassan

2. I would send a clerk on Rs 20 from the Excise Commissioner's Office - proper, to the Tumkur District, thereby providing

providing that Westrict also with a clerk to do Excise work.

3. The Deputy Commissioner, Bangalore District, wants another clerk on Rs 20, in addition to the above. I would therefore recommend the confirmation of the clerk temporarily sanctioned in Government Proceedings No. $\frac{2165-6}{368-92}$, dated $\frac{10}{13}$th August 1892.

4. After thus providing for all the Districts, the establishment of the Excise Commissioner's Office stands as follows:—

1. Shirastadar on	Rs 150.
1. Head Accountant and Accountant	Rs 45
1. Deputy Accountant	Rs 35
1. Clerk	Rs 30.

It should be remembered that the whole of the above establishment, consisting of 12 hands, was sanctioned by Government exclusively for the work connected with arrack, the toddy work having been entirely performed in District Offices. On the appointment of two Inspectors on Special toddy work, with a separate temporary establishment, all his arrack hands reverted to this Office; and with the help of these hands, the heavy work devolving on this Office under the

new

new arrack and Toddy scheme, is being carried on pretty fairly, though for want of Record keepers, most of the records remain not properly arranged. It is impossible to carry on, with only four hands, the work which is now being performed by 12 hands. Hence the proposal in this Office letter No $\frac{876}{47}$, dated 9th August 1892, for the extra hands, as well as an increase to the pay of the existing establishment on account of the toddy work having fallen on them. Under these circumstances I beg that Sanction may be kindly accorded to the proposal. This does not entail any extra charge to the State, as it is proposed to utilize for it the Savings accrued both to the Mysore State and Civil and Military Station in the reduction of the Distillery establishment (Vide Proposition Statement); nor does it necessitate the Sanction of the Resident, as there will be no increase to the proportionate cost debitable to the Civil and Military Station, the aggregate cost of the proposed Office establishment and the lately revised Distillery staff, being the same as heretofore.

Proceedings No 2516/493, dated 2nd/4th November 1892, being also required, I beg to solicit that they may be confirmed.

6. On the receipt of Government Sanction to the above proposals, the clerks as per above distribution, will be sent to the respective Districts. The favor of early orders is requested, as Budget estimates have to be sent to the Comptroller shortly.
